- ❖ **ANYTIME SCHOOL – starts 09-17!** Please remind your students that they need to stay if they are on the list! **We are still missing some permission slips!**
- ❖ **PowerSchool News** - Next week EUSD will be opening parent access to PowerSchool for selected pilot middle schools. This access will be expanded to all middle schools in the second trimester and possibly elementary sites sometime this year. To help facilitate parent access to PowerSchool, the large green "PowerSchool" link on the EUSD home page will be changed at some point. You can still access the PowerSchool FAQ page by clicking on the PowerSchool link under the Staff pulldown menu (second item after District e-mail). This page will continue to provide you a link to the login pages for teachers and administrators. We assume many of you by now have already bookmarked your login page and are no longer using the home page icon as your link to PowerSchool.
- ❖ **Mission Middle School's 7th grade will be having a Rummage Sale at the school on Saturday, September 29.** We encourage and would appreciate donations of all kinds of items for our sale; clothing, toys, household appliances, furniture, ... What a great way for you to start your Fall Clean-Up! Items can be dropped off in Rm. 67, Mon.-Fri. 8-4. If you have any questions drop me a line OR call our excellent Technician of Parent Support, Maribel Perez at 432-2453 Ext 167.
- ❖ **A Note from Eric - Edusoft Rosters** are now up and running so you can download answer-sheets and student info for your class. (But I am still inputting the Avenues Pretests for you when you get me your results). Thanks!
- ❖ **ALL STAFF MEMEBERS** are required to access the blood borne pathogens link www.eusd4kids.org/schools/centra/bbp/bbp.html and view the slide show. **Print out the completion certificate and sign it and return it to Crystal in heath office by Friday, Sept. 21st.**
